ARMY SPORTS LOTTERY

(Internet: www.armysportslottery.com
DII: <http://www.armysportslottery.com>)

INTRODUCTION

1. The Army Sports Lottery (ASL) was established in Sep 93 to raise non-public funds for sport in addition to those available from other sources (see Annex A). ASL is registered with the Gambling Commission¹ and is administered by the Army Sport Control Board (ASCB). The Promoter is DCOS ASCB, who delegates day to day management to the Lottery Manager (LM), who is supported by two Admin Officers.

AIM

2. The aims of ASL are to provide:
 - a. The opportunity for members to win a lottery prize.

¹ Licence Number: 000-004763-C-100334-001

- b. Funds to support:
- (1) Authorised Overseas Sports Visits.
 - (2) Olympic, Paralympic, Commonwealth Games.
 - (3) International Competitors.
 - (4) AWSA Authorised Winter (Sports) Activity (WSA).
 - (5) ASCB Charitable Fund (see 2017DIN10-050 or successor).
 - (6) Other sporting activities/requirements.

PROCEDURE

3. The ASL is a series of weekly lotteries. Tickets cost £0.75 each per week with a maximum of 5 tickets per person. Winners are determined by a random number selector system, which is independently witnessed. **The weekly top six** prize winners are notified by email with confirmation following in the post. All consolation prize winners are notified by post. Payment of prizes is made by cheque on confirmation of winners contact details. Results are announced on local Service radio, published in Soldier Magazine and on the ASL website above.

PRIZES

4. The weekly prize fund is £30,000 as follows:

First	£10,000
Second	£5000
Third	£4000
Fourth	£3000
Fifth	£2000
Sixth	£1000
Seventh x 2	£500
Consolation x 15	£200
Consolation x 10	£100

The weekly prize fund is set in accordance with Gambling Commission regulations. A bi-annual Super Draw is conducted in July and December when the prize fund for that week is doubled. Prizes are regularly reviewed by the ASCB Charitable Fund Trustees.

5. In addition to the weekly cash prizes there is a monthly draw to win Army Sports Lottery merchandising equipment. The draws are for:

- a. New members.
- b. Members who increase their tickets.
- c. Members who hold 5 tickets.

ELIGIBILITY

6. The following personnel are eligible to join ASL:

- a. **Regular Army.** All members of the Regular Army and their equivalents e.g. MPGS are eligible. Payment is deducted at source and is shown on monthly pay statements.
- b. **Army Reserve.** All members of the Army Reserve and their equivalents e.g. UOTC are eligible. FTRS applicants join as members of the Army Reserve rather than Regular Army. Payment is made in advance by annual cheque made payable to 'Army Sports Lottery' or through Worldpay (Credit or Debit Card payment) on the ASL website. The minimum period of membership is 12 months for which the cost per ticket/s is:

Ticket/s	Annual Cost (£)
1	39
2	78
3	117
4	156
5	195

- c. **Military Support Force (MSF)/Retired Officer/Other Rank.** MSF/Retired: Officer/Other Rank who are ex-Army whether working or retired are eligible. Payment is as for the Army Reserve.

MEMBERSHIP

7. **Applications.** The Membership Application Form can be found on the ASL website. On completion, the application form is to be forwarded to the ASL office. All applicants must ensure they complete the application form accurately.

8. **Regular Army.**

- a. The Regimental Number must be exactly the same as that on the applicant's pay statement. **It is essential that if applicants have a dash number (24862345-1) they must put this on the application.** Failure to do so may result in applications being rejected by JPA. ASL accepts no responsibility for inaccurate applications.
- b. Members should check their pay statements to ensure payment is being made. This will ensure their membership is current and they are eligible to apply for a grant.
- c. Individuals are not a member of ASL until the first payment has been received. This can take 6-8 weeks after applying for membership; this includes existing members who increase, decrease or stop their tickets.

9. **All.** Members must ensure their personal details, especially their current unit address, are kept up to date. This will ensure prizes are received promptly. Every effort

will be made to trace prize-winners. However, prizes not claimed after 12 months are void and will be paid into the ASCB Charitable Fund.

GRANTS

10. Members may apply for grants in accordance with the Grant Rules at Annex A. Organisers are to submit one application for all participants in the event/activity. Applicants who receive a grant must have been a member, or commit to being a member, of the ASL for at least 3 years. This includes members of the Army Reserve and ex Regular soldiers who have joined the ASL as civilians.

11. **All individuals listed on a Grant Application Form must be a member of the ASL. Regular Army applicants must have made at least one payment from their salary before the event start date. Army Reserve/Retired members must have made annual payment before the event start date. Replacements must conform to the above.**

12. **Approval.** Grant applications will be considered by the ASL Grants Committee, comprising Director ASCB, DCOS and LM, on a monthly basis. **Grant applications will be taken to a Grants Board no earlier than 2 months prior to the activity start date.** It is the responsibility of the applicant to contact the Lottery office (see paragraph 17) to find out if their application has been successful.

13. **Payment.** Payment will be made by BACS transfer or cheque to a Unit Central Bank or to an external supplier (e.g. Airline).

14. **Beneficiary Receipt.** All recipients of a grant must complete the Beneficiary Receipt form accompanying the grant and return it to ASL.

INTRODUCTION

1. ASL grants are not to be regarded as a replacement for public funds and other sources of non-public funds for sport. They are used to supplement such funds where appropriate and to provide grants for sporting events/activities that fall outside the scope of existing funds. The ASL Financial Year (FY) is Apr-Mar.

EXISTING FUNDS

2. Existing sources of funding for Army sport include:
- a. **Public Funds.**
 - (1) CO's Public Fund.
 - (2) Cash in lieu of rations (CILOR) - WSA only.
 - (3) Sports Equipment Public Funding (SEPF).
 - (4) Initial grants for new and expanding units (through Fmn HQs).
 - (5) Standard Learning Credit (SLC) Education Grant. Enhanced Learning Credits are not eligible.
 - b. **Non Public Funds.**
 - (1) Welfare Funds (Army Central Fund, Nuffield Trust, Command/Formation).
 - (2) Army Sport Control Board Charitable Fund.
 - (3) Unit Funds.
 - (4) Berlin Infantry Brigade Memorial Trust Fund (BIBMTF).

(5) Sponsorship (including Team Army).

3. Details of Welfare Funds can be found in Reference B. BIBMTF bids are made in accordance with Reference C (or successor).

4. **Individual Contributions.** All grant applicants will be expected to make a personal contribution to the activity. Individual contributions will normally be one third of the cost.

ELIGIBILITY

5. **Travel within UK/Germany.** ASL members are eligible to apply for a grant towards the cost of a **unit** sports visit within UK/Germany authorised by the CO. **The CO's authority must be enclosed with the application.** The visit must take place at least 100 miles from the unit barracks, must be competitive and comprise at least 2 matches, one of which must be against a civilian team. Individuals may apply for a grant towards the cost of entering a single event in their Home Theatre if authorised by the CO.

6. **Overseas Sports Visit.**

a. ASL members are eligible to apply for a grant towards the cost of an authorised overseas sport visit, which must be competitive and comply with the qualifying criteria in accordance with Ref A and D. Only Category 1 and 2 are eligible for funding and approval. Training Camps are also permitted – see paragraph 10.a. below.

b. Authority to undertake an overseas sports visit must be obtained in advance from ACOS ASCB or equivalent in accordance with Reference D (or successor).

c. Grants are awarded subject to the following limitations:

(1) Maximum number of participants per gender as specified in Reference A (Pt 2 Annex A to Chap 3) – see Appendix 1².

(2) One grant upto a maximum of £500 per annum (Apr – Mar). Members who hold 5 tickets and have taken part in a representative overseas visit/training camp may apply for an additional grant per FY of up to £500 for a **unit** overseas visit. Therefore the maximum grant available for a member who holds 5 tickets is £1,000 as long as one grant is at representative level and the second grant is at unit level.

d. **Overseas sports visit grants will be allocated on a geographic zone system for which a minimum number of tickets will be required (see Appendix 2):**

Zone	Tickets Required
1	1
2	2
3	3
4	4

² Organisers must note that JSP 660 Pt 2 Annex A to Chap 3 is the overarching authority and therefore the maximum numbers described at Appendix 1 may be subject to change annually.

e. All members who increase their lottery tickets within 6 months of claiming an overseas visit/training camp grant must retain their increased lottery tickets for a period of 12 months from the start of the activity. Members who already hold the required amount of tickets must retain their ticket holding for a period of 12 months from the start of the activity.

f. The ASCB have a number of approved travel partners that should be able to assist in planning and booking visits. Details can be found at www.armysportcontrolboard.org/links.

7. **Olympic/Paralympic and Commonwealth Games Competitors Grant (OCG).**

a. An OCG may be awarded to help offset costs incurred by individuals not paid for by their National Governing Body (NGB). Food and sport supplements costs are not admissible. To be eligible, applicants must have been a member of ASL for at least 12 months and be in possession of a British Olympic Association/British Paralympic Association passport or equivalent.

b. Applications for an OCG are to be made **retrospectively** and must be endorsed by the relevant Association/Union Secretary. If the individual is already an established competitor, then applications may be considered in advance.

c. Those in receipt of an OCG may also apply for an overseas sport visit grant in the same year to take part in team based activity.

d. Applications must be made within 60 days of completion of the event/activity.

8. **International Competitors Grant (ICG).**

a. An ICG may be awarded to help offset reasonable³ costs incurred by individuals, including age group athletes, not paid for by their NGB, whether the competition is in UK or overseas. It is expected that ICG applicants will be registered as a known elite athlete on the ASCB Elite Athletes database or be added to it based on their NGB selection. Food and sport supplements costs are not admissible. To be eligible, proof of selection e.g. NGB selection letter, must be attached to the application. Only NGBs recognised in Reference A (Pt 1, Annex B to Chap 1) will be accepted. Where the NGB is not UK based, or is not listed in Reference A, then advice will be sought as required. If this evidence is not provided an ICG is not admissible.

b. **Notification of selection must be sent to the ASL (copied to the ACOS ASCB⁴) prior to the event taking place, in addition to endorsement to compete from the relevant Army Sport Secretary.** This must be done immediately on receipt of the NGB selection letter, failure to do this may result in any subsequent application being declined. The formal ICG application is to be made **retrospectively** after each competition up to a maximum of 3 per FY. Evidence of expenditure is required, and is to be attached to the application. Exceptionally, if a

⁴ All ICG athletes must be on the ASCB Elite Athlete Database to be eligible for funding.

number of competitions are anticipated and the individual is already an established competitor, then applications may be considered in advance.

c. Applicants will be eligible for the relevant grant rate for the country they are competing in (providing they have the ticket requirement), and in addition a grant will be awarded on a pro rata basis according to the number of tickets held – see Appendix 2. **For example, a triathlete competing for England in an event in Australia requires 5 tickets to be eligible for the £500 country grant. The individual would then be eligible for a further £300 (£60 per ticket) ICG grant.**

d. Those in receipt of an ICG may also apply for an overseas sport visit grant in the same FY to take part in team based activity.

e. Applications must be made within 60 days of completion of the event/activity.

f. Service personnel participating in civilian sport at all levels, including national representation, have no duty status and do so at their own risk and in their own time. The MOD accepts no liability either for personal or third party accident. It is therefore essential that Service personnel involved in civilian sport take out the necessary insurance cover. At national level, athletes should make insurance arrangements with their appropriate NGB.

9. **Winter (Sports) Activity.**

a. ASL members are eligible to apply for a grant towards the cost of any authorised WSA held in Europe, including Scotland, be it competitive or training, subject to the following limitations:

(1) Maximum number of athletes regardless of gender as laid down in Appendix 1.

(2) One grant per member per FY.

b. Grant applications are made **retrospectively** and must be accompanied by:

(1) PXR.

(2) If not an Army authorised competition, a copy of the authority issued in accordance with Reference E (or successor).

c. Organisers are to ensure all participants are members of ASL prior to the start of the event.

d. Grants will be awarded on a pro rata basis according to the number of tickets held – see Appendix 2.

e. All members who increase their lottery tickets within 6 months of claiming a WSA grant must retain their increased lottery tickets for a period of 12 months from the WSA activity date.

f. **The final date for submitting a WSA grant application is 1 June annually.**

11. Other Activities/Requirements.

a. **Training Camp.** ASL members are eligible to apply for a grant towards the cost of an authorised overseas Army, Corps or Unit Training Camp (except for WSA). There is a limit of one Training Camp or overseas visit per year per sport per discipline as applicable. The Training Camp must be in preparation for a Corps level competition or above. Authority to undertake an overseas Training Camp must be obtained from ACOS ASCB or equivalent in accordance with Reference D (or successor).

b. Coaches and Officials Courses.

- (1) ASL members with at least 3 years' service remaining are eligible to apply for one grant of 50% of their course tuition fees up to a maximum of £1,000 per annum. **All applications are to be made in advance and must be endorsed by the appropriate Association/Union Secretary.** Where applicable, a consolidated list of applicants is to be submitted.
